

INPUT NEEDED FOR PRENTIS FRAZIER PARK PLAY AREA!

Seattle Parks and Recreation is installing new play equipment at Prentis Frazier Park. Please join Seattle Parks and Recreation's Sr. Landscape Architect at Miller Community Center to learn about the project, provide input on play equipment and offer feedback on design options.

We encourage families, neighbors and park supporters to attend.

This project will replace play equipment, provide access for all, improve safety and provide other features at the park. Prentis Frazier Park is located at 401 24th Ave E, Seattle, WA 98112.

Funding for this park improvement is provided by the Seattle Park District.
